Module Aims, Learning Outcomes and Indicative Contents أهداف المادة الدراسية ونتائج التعلم والمحتويات الإرشادية	
Module Aims أهداف المادة الدراسية	1. Introducing students to concepts and definitions related to the crimes of the Baath regime committed during its rule over Iraq. 2. Familiarizing university students with the reality of life over decades experienced by Iraq during the period of Baath regime rule. 3. Increasing students' awareness of the facts without being influenced by any media cover-up of the crimes of the Baath regime in Iraq. The course on the Crimes of the Baath Regime in Iraq is an important and essential subject for students, as it introduces them to the events, circumstances, and violations that Iraq experienced during the Baath regime's rule from 1968 to 2003. The course also explains to students the impact of the Baath regime's policies and actions on Iraqi society.
Module Learning Outcomes مخرجات التعلم للمادة الدراسية	• That the student recognizes the seriousness of crimes in general. • That the student understands the extent of the injustice of the former regime. • That the student comprehends the scope of the crimes and their legal consequences.
Indicative Contents المحتويات الإرشادية	Raising students' awareness about crimes through history, in Islamic Sharia, and from a legal perspective, in a detailed manner, including their consequences.
Learning and Teaching Strategies استراتيجيات التعلم والتعليم	
Strategies	• Primarily: discussion and mutual dialogue between the instructor and the students. • Continuously presenting documentaries to facilitate understanding. • Preparing brief worksheets by groups selected on a weekly basis.
